OFFICE NOTE.

Subject.

Re Rebuilding of the Sri Venkateswara Temple at Pallavaram in the Chingleput Taluk.

LAST REFERENCE:—

Letter No. 250, dated 10-7-[illegible]
from the Executive Engineer,
Chingleput Division.

The Executive Engineer, Buildings, submits the Estimate and Plan for rebuilding the Temple and for constructing a Kitchen for the Choultry and the Temple and for providing Drinking Water Facilities. The Engineer has sent the Estimate, Plan and Report in duplicate.

The Estimate is for Rs. 12472 to be provided from the Temple Funds and for Rs. 4000 from the Choultry Funds. The Estimate for Rs. 7361 is for the Temple and Rs. 4671 for the Choultry.

The Accountant is directed to
the amount of Rs. 4091 being received
from the State Govt.

The amount at the credit of the
State Govt at present is Rs 9611-12-3
but a further sum of Rs 3500/- was
promised for the repairs of the
Mallara Agastheeswara temple
Tune Chinnapatam. In the end,
however it only about Rs.

The Hd of Varadaraja
Perumal of Uthangal, spoke to me
about the Villagers temple which
is about 5 miles distant from Uthangal
He said that its temple tower
needed repairs and much required
and that its renovation work
necessary. A large contribution
of Rs 2000/- has been made by
a single devotee named Sankar
Venkatappa - The application of the
Perumal deserves favourable
consideration, but it is not possible
to sanction such a large sum as
Rs. 2000 from the State Grant of

this year. A sum of Rs 500/- only could be sanctioned, and the Engineer requested to start work with this sum and with the two other sums of Rs 1292/- and 2800/- now available. When work to this extent is actually completed, the Engineer may submit his application for further contribution from the State fund. The Engineer should at the same time endeavour to get more contributions from locality.

The draft referred to above was issued. The Dy: Commissioner now states that the Estimate provides only for work that can be now foreseen and makes no provision for unforeseen works that may hereafter be found necessary. He reports that it is not likely that there will be any considerable savings in the execution of the work, that he is making endeavours to have all additional work that may hereafter be found necessary to be carried out from Contributions from devotees He therefore solicits a re-consideration of the orders regarding the additional sum wanted according to the sanctioned estimate.

The sanctioned Estimate was for Rs 7361. Funds to the extent of Rs 6544-10-4 were provided for as detailed in

Muzrai Secretariat. | File No. of 190

in the Govt order of the 19th December 1904. In the 2nd para of the said order it was directed that the balance of the estimated cost viz Rs 816-5-8 required to make up the total estimated cost should be met from contributions. What the Dy Comr says is that towards this amount he collected Rs 400 as contribution from a devotee and he requests for an equivalent amount from the State Grant.

The amount of State Grant now available is Rs 1216-11-9 submitted.

A

Govt have sanctioned Rs. 3272/- for this work. The Dy Comr asked for a further sum of Rs. 400, which was refused - He now again asks for that amount for the reasons given on the preceding page - Subd for orders -

Note Continued

The Deputy Commissioner now reports that the temple was inspected by the Executive Engineer and himself and found that the new walls could not be built on the old foundation as the foundation had cracked and given way. He states that there was no alternative but to provide for the future removal and re-erection of the mantap except the Garbhagudi and for the excavation and filling in of foundations. He submits a supplemental estimate for some items, to the tune of Rs 2130/- which brings the total amount of repairs to Rs 9491-

The amounts noted below were reported to be available ~~to the credit of the Institution~~ to meet the Expenditure :-

Muzrai Secretary's remarks:—

The temple is a very important and ancient one and for its thorough renovation, Rs 1400 have already been sanctioned from State Grant and Rs 2272/- promised, besides Rs 2000 from the funds of the institution and the handsome help promised by Sowcar Venkatappa who is himself now carrying out the repairs. The additional charge of Rs 906 now asked for by the Dy Commr. seems inevitable owing to faulty foundations. The result therefore is that the promised amount

11

File No. of 190 | Muzrai Secretariat.

of Rs 2272/- has to be immediately sanctioned from the State Grant of the current official year and Rs 906 promised from the grant of the next year 1907-08.

In conveying orders as above, the revised Estimate for Rs 9491 may be sanctioned in modification of previous sanctions. (25)

The total State grant asked for is 1400 + 2272 + 906 = 4,578 Rupees. This is a large sum to devote to a single Temple. But the Temple is an important one. Mr Venkatappa has made handsome contributions towards the restoration of the Temple. The Secretary's proposal may be accepted V.P. Kittanna Chetty 9/7/06

I find that Sir P N Krishna murti had ordered a grant equal to the amount collected by private Charity Mr Sukuka Venkatappa has paid Rs 2100 and promises to pay another 1000 Rs = Rs 3100 The State grant should not exceed this amount. But as a matter of fact we have made a State grant of Rs 3672 viz 1000 Rs for 1904-05
400 1905-06
2272 1906-07
3672

I do not think we can afford to pay more out of the State funds. The balance should come out of private Charity if the work cannot be limited to the funds available

Sir,

With reference to previous correspondence marginally noted regarding the repairs and improvement of Sri Venkataramanaswami temple at Pillangere in the Shemoga Taluk, I have the honour to state that when the estimate for the temple which has been sanctioned was prepared in the Executive Engineer's office it was believed that the walls between the pillars of the mantap could be built on the old foundations and without dismantling the mantap itself. On dismantling the walls however it was found on joint inspection by Mr. Krishna Iyengar, Executive Engineer and

and hopeful that the new walls could not be built on the old foundation as the old walls had only been on slabs placed below which had cracked and given way and led to the mantap itself leaning out of the perpendicular. There was thus no alternative but to provide for the entire removal and re-erection of the mantap except the garbhagudi and for the excavation and filling in of foundations. A supplemental estimate, prepared for these items amounts to Rs 2130 which brings the total amount up to Rs 9491.

2. To meet the expenditure the following sums are available.

Balance at credit of the Institution in General funds including state grant of 1400 Rs and also the deposit of Rs 600 made by Mr Sowkar Venkatappa — is - - - - - - - - - - - Rs 3212-10-

In Savings bank at credit of the temple including interest 2100/- state grant sanctioned and the paid next year - - - - - - 2272/-

Total 7584-10-6

A further sum of Rs 1906-5-6 is wanted for the work and

which Mr. Venkatappa Sowkar of Shemoga who is carrying on the work is willing to contribute 1000 Rs. This sum may be deducted from bills made up for the work at the rate of 20 per cent on each bill. A further allotment of 906 Rs from state grant is wanted and I beg it may be sanctioned, as also the supplemental estimate now sent.

3. The delay in the execution of the work was due to causes that were unavoidable. The kitchen is now complete and further work to the temple is delayed owing to want of sanction to the supplemental estimate which was only received from the executive Engineer on the 21st May 1906. I request therefore that early sanction may be accorded thereto. The additional allotment now applied for may be made available in the beginning of the official year 1907-1908.

Read:— Correspondence ending with Letter no 1187 d/ 21st June 1906, from the Deputy Commissioner, Shimoga Dt. submitting for sanction a 2nd Suppl. Estimate for Rs 2130/- for certain additional works required to the Sri Venkataramanaswamy temple at Pillangere in the Shimoga Taluk

Order thereon Dt.

In Govt. Pro. no 2307-8 d/ 19th December 1904, Estimates amounting to Rs. 7361 were sanctioned towards the repairs of this Institution. Again, on the representation of the Dy. Commr. a suppl. Estimate for Rs 400/- was sanctioned for the same in Pro. no 4233-4 d/ 18th May 1905 See the Dy. Commr. reports that on dismantling the walls between the pillars of the mantap it was found

on joint inspection by the Executive Engineer and himself that the new walls could not be built on the old foundation, as the old walls had only rested on slabs placed below, which had cracked and given way and led to the mantap itself leaning out of the perpendicular, and that thus there was no alternative but to provide for the entire removal and re-erection of the mantap except the garbagudi. He therefore submits for sanction a supplemental Estimate for Rs 2130, thereby bringing the total amount of the Estimates to Rs 9491.

2. To meet the above charge the Dy: Commr states that the marginally noted sums aggregating Rs 8584-10-6 are available and requests that the balance of Rs 906-5-6 be Sanctioned

-X-

Rs 3212-10-6	at the credit of the Distn Co-operative Savings Bank
2100-0-0	Amount promised by the persons from the State proper
2272-0-0	Contribution promised by the Sowcar Venkatesa
1000-0-0	now applied for
906-5-6	
Rs 9491-0-0	

from the State fund.

3. The Govt., while agreeing with the Dy: Comr that works according to the Suppl. Estimate now submitted should be carried out, regret that they cannot pay more out of the State funds than what has already been sanctioned. The utmost that can be contributed by Govt is ~~only~~ a moiety of the total cost of repairs. The other half must be contributed by devotees. In this case the amount of contibution collected (including Rs 1000/-, ~~contibution~~ promised by Mr Venkatappa) is only Rs 3100 while the Govt have paid Rs 3672 (including Rs 2272 promised to be given from the State funds ~~from the State fund~~ during two years) besides a sum of Rs 1812-10-6 from the Temple fund.

4. The sum of Rs 227½/- sanctioned ~~to be spent in~~ in Govt Pros. No 1906-7 dy 19th December 1904, to be given from the State grant on ~~an~~ an application for the same from the Dy: Commr, is now sanctioned out of the current year's state grant, and the comptroller is requested to place this amount at the disposal of the Dy: Commr. The Govt cannot pay anything more. The balance required to complete the repairs must come out of private charity if the work cannot be limited to the funds available. ~~Formal sanction of Govt will be given to the present supplemental Estimate for Rs 2130/- on receipt of further report from the Dy Commr as to whether the sum of Rs 906 5-6 will be collected from contributions or whether the Estimate will be reduced by that amount~~
